

2020 CORPORATE PARTNERSHIP OPPORTUNITIES

GREEN KIRKLAND

PARTNERSHIP

Meaningful, local impact every year...

60+ ORGANIZATIONS ➔ 2,500+ VOLUNTEERS ➔ 200+ EVENTS ➔ 5,000+ NATIVE PLANTS ➔ 22+ PARKS ➔ 110+ ACRES

The Green Kirkland Partnership is an alliance between the City of Kirkland, nonprofit partners, businesses, and the community to restore more than 500 acres of natural areas in the City. The majority of this work is completed by dedicated volunteers, guided by the City's 20-Year Forest and Natural Areas Restoration Plan, and supported by dynamic, forward thinking local partners like YOU. We hope you'll join us in 2020!

Does your team have a favorite Kirkland park?

Green Kirkland Partnership hosts dozens of corporate volunteer habitat restoration events every year. Volunteers of all skills and abilities are warmly welcomed at these exceptional team building opportunities. Green Kirkland provides all of the tools, training, and event coordination. All you need to do is gather your group and get pumped to have fun while making a meaningful, long-term contribution to the health and wellness of our entire community. Better yet, adopt a favorite location and visit the site three or four times each year. This is the best way to experience the full cycle of natural area restoration and is tremendously rewarding. Participants are always blown away by the difference a committed group of volunteers can make!

Questions about corporate sponsorship and volunteer opportunities can be directed to Jodie Galvan, Green Kirkland Partnership Supervisor, at jgalvan@kirklandwa.gov or 425.587.3305. Thank you!

Earth Day with Councilmember Kelli Curtis in 2019—sponsored by PCC Kirkland!
